

## Keystone Plastic Faceplates

Signamax Connectivity Systems offers one of the broadest selections of field-configurable, flush-mount faceplates and multimedia surface-mount boxes. From single-gang faceplates to multimedia surface-mount multi-port boxes, Signamax has the solutions to fit your needs.

### Single-Gang Faceplates

PART NUMBER	DESCRIPTION
SKF-1	1-Port Single-Gang Keystone Faceplate
SKF-2	2-Port Single-Gang Keystone Faceplate
SKF-3	3-Port Single-Gang Keystone Faceplate
SKF-4	4-Port Single-Gang Keystone Faceplate
SKF-6	6-Port Single-Gang Keystone Faceplate

Standard: **IV** For other colors add the following to P/N: **BK** **GY** **WH** **DI**

Single-gang faceplates are available in 1-, 2-, 3-, 4- or 6-port versions and allow for mounting any combination of keystone jacks and multimedia modules.

### Single-Gang Oversized Faceplates

PART NUMBER	DESCRIPTION
SKFM-1	1-Port Single-Gang Oversized Keystone Faceplate
SKFM-2	2-Port Single-Gang Oversized Keystone Faceplate
SKFM-3	3-Port Single-Gang Oversized Faceplate
SKFM-4	4-Port Single-Gang Oversized Faceplate
SKFM-6	6-Port Single-Gang Oversized Faceplate

Standard: **IV** For other colors add the following to P/N: **WH**

Single-gang oversized faceplates are available in 1-, 2-, 3-, 4- or 6-port versions and allow for mounting any combination of keystone jacks and multimedia modules. Oversized faceplates are 4.875" x 3.125" x .375", provide a designer look and hide irregular drywall cuts and flaws around outlets.

### Single-Gang Faceplates with Labeling Windows

PART NUMBER	DESCRIPTION
SKFL-1	1-Port Single Gang Keystone Faceplate with Labeling
SKFL-2	2-Port Single Gang Keystone Faceplate with Labeling
SKFL-3	3-Port Single Gang Keystone Faceplate with Labeling
SKFL-4	4-Port Single Gang Keystone Faceplate with Labeling
SKFL-6	6-Port Single Gang Keystone Faceplate with Labeling

Standard: **IV** For other colors add the following to P/N: **BK** **GY** **WH** **DI**

Faceplates are available in 1-, 2-, 3-, 4- or 6-port versions and allow for mounting any combination of keystone jacks and multimedia modules. These faceplates feature top and bottom designation labeling windows for convenient faceplate identification.

### Keystone Wall-Mount Phone Plates

PART NUMBER	DESCRIPTION
SKF-1P	1-Port Plastic Keystone Wall Mount Phone Plate, Light Ivory

Standard: **IV** For other colors add the following to P/N: **WH**

Wall mount phone plates provide an easy-to-install method for mounting any wall mountable phone.

## Single-Gang Angled Faceplates with Labeling Windows

PART NUMBER	DESCRIPTION
SKFLA-2	2-Port Single-Gang Angled Keystone Faceplate with Labeling
SKFLA-4	4-Port Single-Gang Angled Keystone Faceplate with Labeling

Standard: IV For other colors add the following to P/N: GY WH DI

Angled faceplates are available in 2- and 4-port versions. These plates allow an angled patch cord exit to prevent damage and help maintain the bend radius of patch cords. Faceplates feature designation labeling windows for faceplate identification.

## Double-Gang Faceplates

PART NUMBER	DESCRIPTION
DKF-6	6-Port Double-Gang Keystone Faceplate
DKF-8	8-Port Double Gang Keystone Faceplate
DKF-12	12-Port Double-Gang Keystone Faceplate

Standard: IV For other colors add the following to P/N: GY WH DI

Double-gang faceplates are available in 6-, 8- and 12-port versions and allow for mounting any combination of keystone jacks and multimedia modules.

## Double-Gang Faceplates with Labeling Windows

PART NUMBER	DESCRIPTION
DKFL-6	6-Port Double-Gang Keystone Faceplate with Labeling
DKFL-12	12-Port Double-Gang Keystone Faceplate with Labeling

Standard: IV For other colors add the following to P/N: GY WH DI

Double-gang faceplates are available in 8- and 12-port versions and allow for mounting any combination of keystone jacks and multimedia modules. These faceplates feature top and bottom designation labeling windows for convenient faceplate identification. Plates are supplied with label cards and clear labeling window covers.

## Double-Gang Angled Faceplate with Labeling Windows

PART NUMBER	DESCRIPTION
DKFLA-8	8-Port Double-Gang Angled Keystone Faceplate with Labeling

Standard color: IV

For other colors add the following to P/N: BK GY WH DI

Angled faceplate is available in an 8-port version. This plate allows an angled patch cord exit to prevent damage and help maintain the bend radius of patch cords. Faceplate features top and bottom designation labeling windows for convenient faceplate identification. Faceplate is supplied with label cards and clear labeling window covers.
